

Orientation & Club Induction - Class of 2026-30

19 August 2026 | IIIT Pune

1. Event Overview

The **Academic Orientation and Club Induction Programme for the Class of 2026-30** was conducted as a one-day event at the **Indian Institute of Information Technology, Pune (IIIT Pune)**, welcoming the newly admitted undergraduate students to the institute and introducing them to its academic environment and vibrant student community.

The programme was organised with the objective of providing the incoming batch with a comprehensive understanding of life at IIIT Pune while familiarising them with the institute's academic structure, faculty, opportunities, student organisations, and diverse range of extracurricular activities.

The event witnessed the participation of **600+ freshers**, making it an important first interaction between the incoming batch and the wider institute community. The entire morning phase was seamlessly livestreamed, ensuring accessibility, and was thoroughly appreciated by the attendees.

2. Inaugural and Academic Orientation Programme

2.1 Ceremonial Inauguration

- The programme commenced with a serene and traditional **Saraswati Vandana**, marking the formal beginning of the orientation programme.
- This was followed by the **ceremonial lighting of the lamp**, led by the **Director of IIIT**

Pune, Prof. Vineet Kansal.

- The inaugural ceremony established an atmosphere of learning, aspiration and new beginnings for the incoming Class of 2026-30.

2.2 Address by the Director

- Prof. Vineet Kansal, Director, IIIT Pune, formally welcomed the newly admitted students to the institute.
- His address provided the freshers with an overview of the opportunities and responsibilities associated with being a student of the institute.
- The interaction served as an encouraging introduction to their upcoming academic journey and life at IIIT Pune.

2.3 Introduction to the Institute

Following the Director's address, the students were introduced to the institute's faculty and academic ecosystem.

The orientation covered several important aspects of student life, including:

- Introduction to faculty members and their respective areas of academic engagement.
- Overview of the academic structure and classroom environment.
- Explanation of the examination and evaluation pattern.
- Information regarding academic expectations and institutional practices.
- An overview of placement opportunities and placement-related statistics.
- Introduction to the broader opportunities available to students during their undergraduate journey.

The session was designed to help students transition smoothly from school education to the academic environment of a higher-education institution.

2.4 Student-Focused Orientation

The academic orientation also helped students gain clarity regarding the expectations associated with university life. The session familiarised them with the balance between:

- Academic learning and technical development.
- Participation in extracurricular activities.
- Development of communication and leadership skills.
- Collaboration and teamwork.
- Exploration of individual interests beyond the classroom.

The orientation thus served not merely as an administrative introduction, but as the first step towards helping the students understand the wider academic and student experience at IIT Pune.

2.5 Anti-ragging Pledge

All the students took the Anti-ragging pledge intending to prohibit any conduct by any student, whether by words, spoken or written, or by an act which has the effect of teasing, treating, handling with rudeness a fresher or any other student; and thereby, to eliminate ragging in all its forms from our institution. It was also signed by the **Director**, the faculty as well as the students.

3. Club Induction Programme

Following the academic orientation, the programme transitioned into the **Club Induction Session**, organised under the **Student Activity Council (SAC)**.

The session aimed to introduce the Class of 2026-30 to the wide range of student-led clubs and organisations active at IIIT Pune. Rather than limiting the introduction to conventional presentations, the clubs presented their work through a combination of **speeches, presentations, demonstrations, and live performances**, giving the freshers a glimpse into the diversity of campus life.

4. Technical and Technology-Oriented Clubs

The technical clubs introduced the freshers to opportunities for developing practical and problem-solving skills beyond the academic curriculum.

- 1) Bitlegion Introduced students to its technical and coding-oriented activities. The presentation highlighted opportunities for students interested in programming and technology.
- 2) Localhost Presented its technical activities and initiatives. The session provided freshers with an insight into opportunities for learning and working on technology-driven projects.
- 3) Rofies Introduced students to the field of robotics. The club showcased its technical orientation and demonstrated how students can explore robotics through practical and hands-on activities.
- 4) IEEE Introduced the role of a professional technical organisation within the student community. The presentation highlighted opportunities for technical learning, collaboration, and professional exposure.
- 5) Quantum Introduced students to its domain-specific activities and initiatives. The session demonstrated the breadth of opportunities available beyond conventional academic coursework.
- 6) ACM Presented its technical and professional activities to the incoming students. The induction familiarised students with opportunities for engaging with computing and technology-oriented initiatives.

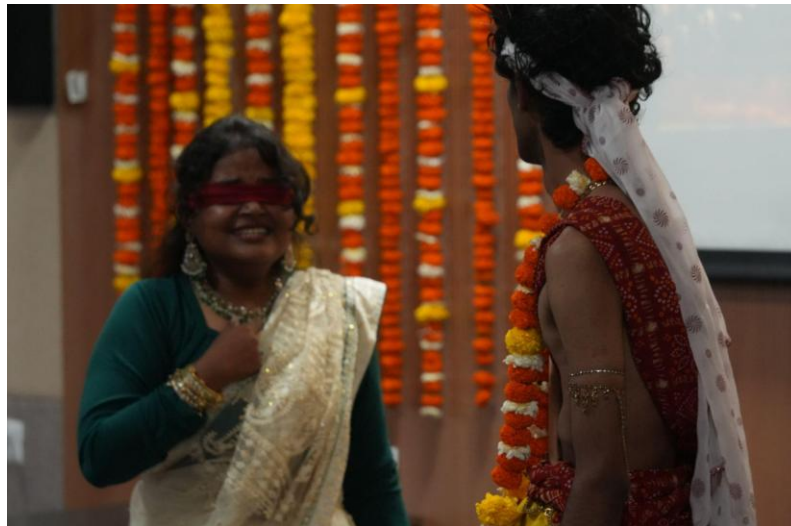

5. Cultural and Creative Clubs

The cultural segment demonstrated the creative aspect of campus life and showcased the importance of artistic expression alongside academics.

- 1) Abhinay introduced students to theatre and performing arts and presented a series of comedic as well as mythological acts.

- 2) Saaz represented the musical interests of the student community. Live band musical performances added an engaging and energetic element to the induction programme.
- 3) Vanity Crew contributed to the cultural showcase through its exuberant performances.
- 4) Eclectic showcased opportunities for students interested in literature, writing, discussions, public speaking, and related creative activities.
- 5) Rang presented opportunities for students interested in artistic and creative expression with a live-art presentation.
- 6) Qriocity encouraged participation in quizzes, trivia-based activities, and intellectually engaging events.
- 7) TEDx introduced itself as a newly established student initiative at IIIT Pune focused on bringing ideas, perspectives, and inspiring stories to the campus.

6. Design, Media and Creative Publications

- 1) Blueprint introduced students to the institute's design-oriented activities and highlighted opportunities for students interested in graphic design, visual creativity, and digital design.
- 2) Eminence, the Annual College Magazine, highlighted a platform through which students can contribute their creative work and document important aspects of campus life.

7. Entrepreneurship, Social and Community Organisations

- 1) E-Cell provided an avenue for students interested in startups, innovation, business ideas, and entrepreneurial thinking.
- 2) NSS introduced students to opportunities for community engagement and social service.
- 3) Aarambh introduced itself as a student community associated with festivities and celebrations, including celebrations such as Ganpati.
- 4) Sports Club introduced the various opportunities available for students to participate in sports and recreational activities. The presentation encouraged students to maintain an active lifestyle and engage in teamwork beyond academics.

8. Conclusion

The **Academic Orientation and Club Induction Programme for the Class of 2026-30** successfully marked the beginning of the students' journey at IIIT Pune.

The morning academic orientation provided the incoming batch with essential information about the institute, its academic environment, faculty, examination structure, and placement opportunities. The subsequent club induction complemented this academic introduction by presenting the vibrant student community and the wide range of opportunities available beyond the classroom.

The participation of **600+ freshers**, combined with the enthusiastic presentations, demonstrations, dance, music, and theatre performances by the student community, created an engaging and welcoming atmosphere for the new batch.

The event concluded with a **vote of thanks by Dr. Priyank Jain**, formally bringing the day's programme to a close.

Overall, the orientation and induction served as an effective platform for welcoming the Class of 2030, introducing them to the academic and student ecosystem of IIIT Pune, and encouraging them to actively explore, participate, collaborate, and contribute to campus life.
