4. STUDENT INTERNSHIP AND RESEARCH SUPERVISION

Selection and Eligibility:

IIT Bombay may offer short-term and long-term internship opportunities to qualified undergraduate and postgraduate students of IIIT Pune, subject to academic merit, fulfillment of prerequisite requirements, availability of suitable faculty mentors, research facilities, and other applicable institutional policies and approvals at IIT Bombay.

Joint PhD Supervision: Both institutions agree to facilitate the co-supervision of IIIT Pune doctoral students by faculty members from IIT Bombay, enabling students to utilize research infrastructure at both campuses. The Parties shall enter into a separate agreement specifying the terms and conditions governing joint supervision.

Financial Terms and Stipends: The financial arrangements, including any stipend, laboratory usage fees, or financial support, will be determined on a case-by-case basis prior to the commencement of each internship and shall be explicitly stated in the student's offer letter.

Infrastructure and Accommodation: Selected IIIT Pune interns may be provided access to IIT Bombay's library, computing facilities, laboratories, and other research infrastructure, as required for their assigned projects, subject to the applicable rules and regulations of IIT Bombay. On-campus accommodation may be provided, subject to availability and payment of the prescribed hostel and other applicable charges.

Intellectual Property and Confidentiality: Any intellectual property, research data, or publications arising directly from the student's internship project will be jointly owned or governed in accordance with the institutional IP policies of both IITB and IIITP, and students must adhere to the confidentiality guidelines of the home and host institute.

5.AGREEMENTS FOR RESEARCH COLLABORATION

Each research collaboration undertaken by the parties hereunder shall be initiated by the signing of a separate research agreement between the parties, which will describe in detail:

- a. the nature, scope and schedule of the research collaboration.
- b. the form of the research collaboration.
- c. the estimated cost of the research collaboration together with the amount of funding, if any, to be received from third parties.
- d. the treatment of intellectual property and data rights, including patents, industrial design registration, copyrights and all other proprietary information (including innovations not patented, designs not registered etc.) which result from the research collaboration, or which belong to a party and are used in research collaboration.
- e. other provisions as may be mutually agreed upon, including provisions covering the consequences of default or termination by a participant, term, arbitration of disputes and applicable law.

6. USE OF NAMES, LOGOS AND TRADEMARKS

Nothing in this Memorandum of Understanding grants to either party any right or license to use the other party's name, logos, or other trademarks, except in a mutually-agreed fashion.

7.CONFIDENTIALITY

- a. During and for a period of three years from the date of disclosure, each party agrees to consider as confidential all information disclosed by the other party in written or tangible form or, if orally disclosed, confirmed in writing within thirty days of disclosure and identified as confidential by the disclosing party.
- b. The obligations above shall not extend to any confidential information for which the receiving party can prove that this information:
 - is in the public domain at the time of disclosure or comes within the public domain without fault of the receiving party.
 - is already known or become known to the receiving party.
 - is received from a third party having no obligations of confidentiality to the disclosing party,

- is independently developed by the receiving party; or
- is required to be disclosed by law or court order.

8. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, are free to pursue other agreements or collaborations of any kind. However, when entering into a particular research agreement, the participants may agree to limit each party's right to collaborate with others on that subject.

9. TERMS AND TERMINATION

This MOU shall become effective on the Effective Date specified in the opening paragraph and shall remain valid for a period of three (3) years, and may be renewed by mutual written agreement. This MOU may be amended or terminated earlier by mutual written agreement of the parties at any time. Either party shall have the right to unilaterally terminate this MOU upon 60 days prior written notice to the other party. However, no such early termination of this MOU, whether mutual or unilateral, shall affect the obligations of the participants under any Research Agreement, Confidentiality clause as referenced in clause 6 above, or any other agreement entered into pursuant to this MOU, which obligations shall survive any termination.

10. RELATIONSHIP

Nothing in this MOU shall be construed to make either party a partner, an agent or legal representative of the other for any purpose.
