

DEBADREETA DAS

Adjunct Assistant Professor, IIIT Pune

Email: debadreetadas@gmail.com | debadreetad.it.rs@jadavpuruniversity.in

Mobile: +91-9476288801

Professional Profile

Ph.D. researcher in Information Technology with expertise in Distributed Mobility Management (DMM), 5G/6G mobile networks, UAV-assisted communication, Intelligent Transportation Systems (ITS), and network simulation using NS-3. Experienced in teaching, research, and academic mentoring, with publications in IEEE Transactions and international conferences.

Education

Degree	University	Year / Result
Ph.D. (Engineering-IT)	Jadavpur University	Thesis Submitted (2026)
M.Tech (CSE)	MAKAUT	2015 CGPA 7.14
B.Tech (CSE)	WBUT	2013 CGPA 7.26

Research Experience

- JRF (Central Govt. Fellowship), Jadavpur University (2015–2017)
- Doctoral Scholar (Central Govt. Fellowship), Jadavpur University (2019–2020)
- West Bengal State Fellowship, Jadavpur University (2017–2019, 2020–2022)
- Selected as Women Fellow from Asia in SANOG'34 International Fellowship by IETE Kolkata Chapter (2018)

Teaching Experience

- Adjunct Assistant Professor, IIIT Pune (Present)
- Regular Guest Faculty, Jadavpur University (2016–2024)
- Guest Faculty, Government College of Engineering & Ceramic Technology (2018)

Projects

- B.Tech: Online Examination System using Advanced Java.
- M.Tech: Discovering Bi-clusters in Gene Expression Data using Graph Theoretic Approach using MATLAB.
- Ph.D.: Performance Analysis of Distributed Mobility Management Schemes in 5G and UAV-based Networks using NS-3 with Python/C++ backend.

Research Interests

Distributed Mobility Management, 5G/6G Networks, UAV-assisted Networks, Intelligent Transportation Systems, Network Algorithms, Network Simulation, Bioinformatics.

Subjects of Interest

Data Structures and Algorithms, Computer Networks, Mobile Computing, Operating Systems, DBMS, Theory of Computation, Compiler Design.

Presented in Conference

- IEEE International Conference on Advanced Networks and Telecommunications Systems (IEEE ANTS 2025), IIIT Delhi, 15–18 December 2025.
- 7th International Conference on Computational Intelligence in Communications and Business Analytics (CICBA 2025), Springer, Jadavpur University, 4–6 July 2025.
- 1st Regional Science & Technology Congress, Department of Science & Technology, Government of West Bengal, Jalpaiguri, 7 November 2016.

Publications

- Das, Debadreeta, et al. "A 5G-Based Distributed Mobility Management Scheme for UAV-Assisted Intelligent Transportation Systems." IEEE ANTS 2025. DOI: 10.1109/ANTS66931.2025.11429744.
- D. Das et al., "A Comparative Analysis of Distributed Mobility Management Schemes for 5G-based Intelligent Transportation Systems," IEEE Transactions on Intelligent Transportation Systems, 2025. DOI: 10.1109/TITS.2024.3506662.
- D. Das et al., "Performance Analysis of Distributed Mobility Management Schemes in UAV-based 5G Networks," CICBA 2025, Springer Nature. DOI: 10.1007/978-3-032-17187-0_10.
- D. Das, "Discovering Bi-clusters in Gene Expression Data," 1st Regional Science & Technology Congress, West Bengal, 2016.

Technical Skills

C, C++, Python, NS-3, MATLAB, MySQL, UNIX/Linux, Kernel Programming, LaTeX, MS Office

Professional Activities

- Reviewer, IEEE Internet of Things Journal
